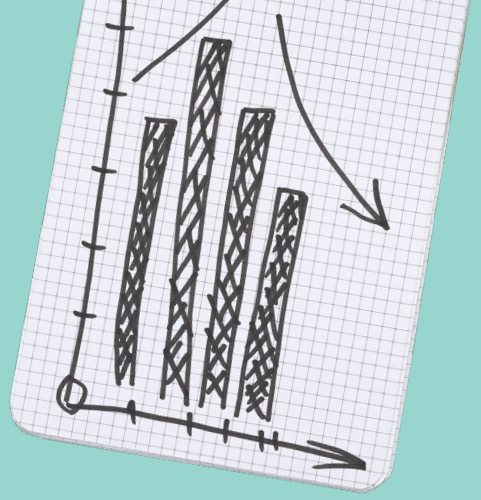
How to build a pre-seed pitch

Sequoia Capital pitch deck

Sequoia's recommended deck flow



- Problem
- Company purpose
- Solution
- Market Size
- Why now
- Product
- Competitors
- Business Model
- Team

Company purpose

What do you do? Who do you help?
How do you help? Keep it simple

- Define your company in a single declarative sentence
- Communication your mission
- NOT listing features

Problem

What are the biggest problems you solve? Who do you solve them for? How do those people solve these problems without your solution?

- Avoid discussing multiple problems. Instead, focus on the central problem and minimize secondary issues
- Describe pain points
- How is this addressed currently, and what are the shortcomings of current solutions

Solution

How does your product solve the problems discussed previously? What makes your product unique? How does it work? What are some common use cases?

- Why is your value prop unique and compelling?
- Make the logical connection between problem and solutions

Why Now

Nature hates a vacuum—so why hasn't your solution been built before now?

- Set up the historical evaluation of your category
- Define recent trends that make your solution possible

Market Size

Dominate your market, assess its size and potential earnings

Identify/profile you cater to

Calculate the TAM(top-down), SAM(bottoms up) and SOM

Competitors

Who do you compete with? What makes your product better than theirs?

List competitors

List competitive advantages

Product

What does your product look like,
and how does it work?

Product line-up(form factor, functionality, features, architecture, intellectual property)

Development roadmap

Business Model

How do you make money?
What are your unit economics?

Revenue model

Pricing

Average account size and/ or lifetime value

Sales and distribution model

Customer/ pipeline list

Team

Uniquely capable of resolving the problem. What makes your team the right team for the job? What relevant experience and expertise do they bring to the table?

- Build a world-class product
- Bring it to market
- Grow it into a multi-billion dollar company

Financials

How much money do you expect to raise?

- The form of the capital (SAFE, Convertible Note, etc.
- The goals you plan to achieve with this capital
- Your round dates
- The amount of capital you plan to raise

CTA

Wrap the entire deck in one slide
that encourages action
